ROYFIT

SLIMMING CAPSULE

MAKE YOUR BODY GRACEFUL SLIM WITH ROYFIT SLIMMING CAPSULES THE PERFECT SOLUTION FOR OBESITY TREATMENT

SUPPORTS WEIGHT LOSS & APPETITE CONTROL

- PROMOTES KETOSIS
- NATURALLY BURNS FAT FOR FUEL
- REVITALISES MOOD & ENERGY

COMPOSITION: EACH CAPSULE CONTAINS:

LORCASERIN, APPLE CIDER VINEGAR, BLACK PEPPER CAYENNE EXTRACT, CARDAMOM EXTRACT, CINNAMON EXTRACT, GINGER EXTRACT, GREEN COFFEE EXTRACT, TURMERIC EXTRACT

PROPERTIES: ROYFIT IS A MULTI-COMPONENT DIET SUPPLEMENT THAT SUPPORTS WEIGHT CONTROL. OUR INGREDIENTS WERE CAREFULLY PUT TOGETHER FOR BETTER PERFORMANCE TO HELP WITH APPETITE AND ARE RESPONSIBLE FOR IMPROVING FAT METABOLISM AND STIMULATING THE REDUCTION OF FAT RESERVES, ENHANCE FOCUS, AND IMPROVE ENERGY.

ROYFIT CONTAINS LORCASERIN, WHICH REDUCES APPETITE BY ACTIVATING A TYPE OF SEROTONIN RECEPTOR KNOWN AS THE 5-HT_{2C} RECEPTOR IN A REGION OF THE BRAIN CALLED THE HYPOTHALAMUS, WHICH IS KNOWN TO CONTROL APPETITE

FORM AND CAPACITY: 60 CAPSULES

JOINTAROY

TABLET

**GLUCOSAMINE - CHONDROITIN
MSM - HYALURONIC ACID**

**SUPPORT JOINT HEALTH AND FLEXIBILITY
ADVANCED FORMULATION**

COMPOSITION:

Nutritional Information	Average per 3 tablets	Nutritional Information	Average per 3 tablets
Glucosamine sulfate 2 KCL	1500 mg	Folic Acid	0.6 mg
Chondroitin sulfate (from chondroitin sulfate sodium)	150 mg	Vitamin B12	30 mcg
MSM (Methylsulfonylmethane)	900 mg	Zinc	15 mg
Sodium hyaluronate	30 mg	Copper	1.5 mg
Vitamin D (as D3 600 IU)	18 mg	Manganese	6 mg
Vitamin C	60 mg	Selenium	180 mcg
Fish Collagen	45 mg		

mg = milligram, mcg = microgram

Properties: When you want to support your body's natural production, JOINTAROY TABLET is a high-quality supplement designed for easy absorption. JOINTAROY TABLET is a complete dietary supplement for joints; it helps repair cartilage, boost joint mobility, increase joint flexibility, support joint structure and protect joint tissue; suitable for anyone with joint pain, joint inflammation or stiff joints; for men, women and seniors.

Scientifically Formulated: JOINTAROY 's Joint Support contains a powerful blend of Glucosamine, Chondroitin and MSM that has been proven to reduce aches, pains, soreness and inflammation in the joints.

Restorative Blend: This carefully crafted formula also helps to restore strength, lubrication and collagen in the joints which can assist in improving mobility, flexibility and the overall well-being of men and women.

Glucosamine: As men and women age, Glucosamine levels will decline over time. This powerful formula contains 1500 milligrams of Glucosamine to make up for this deficiency to maintain healthy and strong cartilage.

Chondroitin: We include this essential ingredient that has been shown to have anti-inflammatory properties that can help reduce joint-related aches, pains and discomfort, as well as support collagen health.

MSM (Methylsulfonylmethane): To strengthen joint tissue, we included a whopping 900 milligrams of MSM (Methylsulfonylmethane) in this blend. With healthier joint tissue, you can experience an improvement in a greater range of motion.

Hyaluronic Acid: If you experience pain and discomfort in joint movement, the Hyaluronic Acid in this formula can help cushion and lubricate your joints to help you achieve the healthier and more mobile lifestyle you have always wanted.

Vitamins and trace minerals: JOINTAROY has been fortified with several nutrients that are essential to the body especially vitamin D3, Manganese, Copper, Selenium & Zinc which help maintain strong bones. Vitamin B12 is important for maintaining bone mineral density and may support bone health. folic acid may help prevent osteoporosis. Folic acid and vitamin B12 are known to reduce blood levels of the amino acid homocysteine, by lowering homocysteine levels this help to prevent Osteoporosis. Vitamin C acts as antioxidant to neutralize free radicals that attack joint and cartilage areas.

Form and Capacity: JOINTAROY TABLET from ROYVIT is supplied in 60 tablets.

30 TABLETS

ROY D3 & K2

TABLET

CARDIOVASCULAR HEALTH SUPPORT
OSTEOPOROSIS TREATMENT
STRENGTHENING THE WORK OF THE IMMUNE SYSTEM
IN THE BODY
INCREASES CALCIUM ABSORPTION FROM THE BLOOD

Composition: Each one Tablet contains

Nutritional information	Average per tablet	% NRV*
Vitamin D (as D3 cholecalciferol)	250 µg (10.000 IU)	5000
Vitamin K2 (from MK-7, menaquinone-7)	100 µg	133
Vitamin B6 (from pyridoxal 5-phosphate)	30 mg	2142
Zinc (from zinc sulfate)	20 mg	200
Magnesium (from Magnesium oxide)	25 mg	6.6

* NRV = Nutrient Reference Value, µg = microgram
mg = milligram, IU = International Units

Properties:

ROY D3 & K2 from ROYVIT, are tablets containing vitamin D3 and vitamin K2. In each tablet you can find 250 µg of vitamin D3 and 100 µg of vitamin K2. ROY D3 & K2 from ROYVIT combines two nutrients extensively researched for their contribution to the health of bones, teeth and the cardiovascular system. Vitamin D3 promotes calcium transport and absorption. Recent studies indicate that vitamin D3 may play a role in proper insulin action and glucose metabolism and has an important function within the immune system. Vitamin K is critical for the formation of a healthy, strong bone matrix. Vitamin K's role in arterial health revolves around its ability to support proper calcium metabolism in vascular structures. Vitamin K2 is a readily active and biologically available form of vitamin K. Vitamin K is important for proper blood clotting and maintaining healthy bones & muscles mass.

Form and capacity: 30 tablets.

ROYVIT
P H A R M A

ROYARGIN

TABLET

L – ARGININE (AS HCL) DOUBLE STRENGTH 1000 MG AMINO ACID SUPPLEMENT

SUPPORTS CARDIOVASCULAR HEALTH
SUPPORTS FERTILITY AND INCREASES SPERM PRODUCTION
SUPPORTS AMMONIA DETOXIFICATION AND BODY PURIFICATION
SUPPORT FOR THE IMMUNE SYSTEM

COMPOSITION:

EACH ONE TABLET CONTAINS THE FOLLOWING ACTIVES:

Nutritional information	Average per tablet	% NRV*
L – Arginine hydrochloride (equivalent to arginine 830 mg)	1000 mg	— **

*NRV = Nutrient Reference Value, mg = milligram, ** NRV value is not established

Properties: ROYARGIN is formulated by nutritional experts to include 1000 mg of L – Arginine as active ingredient as recommended by the UK Department of Health for:

- Supports Cardiovascular Health •Essential Precursor of Nitric Oxide •Supports fertility and increases sperm production
- Supports Ammonia Detoxification and Body Purification •Support for the immune system

L-Arginine is an amino acid naturally found in red meat, poultry, fish, and dairy. It is necessary for making proteins and is commonly used for circulation. L-Arginine is an amino acid that the body cannot produce naturally. Therefore, it is important to consume foods rich in arginine or by dietary supplement. L-Arginine plays a number of roles in the body. These include the detoxification of ammonia formed during the nitrogen catabolism of amino acids via the formation of urea. In addition, L-arginine is a precursor in the formation of NITRIC OXIDE that causes blood vessels to open wider for improved blood flow and an inhibitor of platelet adhesion and aggregation, CREATINE which supports muscle protein synthesis and increase muscle mass, polyamines, L-glutamate, L-proline, agmatine (a neurotransmitter in the brain) that performs numerous physiological functions in the body and the arginine-containing tetrapeptide tufts in, to be an immunomodulator. L-arginine also stimulates the release of growth hormone (GH), insulin, and glucagon. L-arginine is a glyco-genic amino acid; it can be converted to d - glucose and glycogen if needed by the body or it can be catabolized to produce biological energy. L-arginine is helpful in accelerating wound healing and formation of collagen. L-arginine is useful in the case of seminal azoospermia, including oligozoospermia and bradykinesia are also present.

Uses: ROYARGIN from ROYVIT is an adjuvant therapy for the treatment of:

- Fatigue, asthenia, colds and enhancing athletes exercise performance.
- Physiological retardation of growth (hypoxia), due to abnormal or reduced, still present GH (Growth Hormone) functionality.
- Oligoasthenozoospermia and inappropriate sperm production.
- Arginine converts to nitric oxide, which dilates blood vessels and increases blood flow, thus supporting cardiovascular health and improving peripheral perfusion.
- L-arginine is helpful in accelerating wound healing.
- L-arginine has demonstrated some positive immune-modulating and anticancer effects.
- It is also used to help improve the immune status in those suffering from sepsis, burns and trauma
- L-arginine is administered in high doses to stimulate prolactin and pancreatic release of glucagon and insulin
- L-arginine is helpful in some others with migraine.

Form and Capacity: ROYARGIN TABLET from ROYVIT is supplied in 30 tablets.

EFFERVESCENT TABLETS

URINARY ALKALINIZER PLEASANTLY BERRY FLAVOURED

IT HELPS:

- KIDNEY STONES DISINTEGRATION
- RELIEVING THE PAIN OF BURNING URINE CAUSED BY URINARY TRACT INFECTIONS

COMPOSITION: EACH EFFERVESCENT TABLET CONTAINS:

SODIUM BICARBONATE 967.5 MG

TRISODIUM CITRATE 835.5 MG

ANHYDROUS CITRIC ACID 1197 MG

PROPERTIES: SODIUM BICARBONATE ACTS AS URINARY ALKALIZER BY INCREASING THE EXCRETION OF FREE BICARBONATE IONS IN THE URINE, THUS EFFECTIVELY RAISING THE URINARY PH. BY MAINTAINING AN ALKALINE URINE, THE ACTUAL DISSOLUTION OF URIC ACID STONES MAY BE ACCOMPLISHED. IT ALSO ACTS AS ANTACID BY CHEMICALLY NEUTRALIZING OR BUFFERING EXISTING QUANTITIES OF STOMACH ACID BUT HAS NO DIRECT EFFECT IN ITS OUTPUT. THIS ACTION RESULTS IN INCREASED PH VALUE OF STOMACH CONTENTS, THUS PROVIDING RELIEF OF HYPERACIDITY SYMPTOMS.

A DISTINCTIVE QUADRUPLE COMBINATION OF:
MINOXIDIL - DEXPANTHENOL - VITAMIN B12 -
BETAMETHASONE
TO RE-GROW HAIR AND STOP HAIR LOSS
HELPS IN THE TREATMENT OF SCALP
PROBLEMS (ITCHING - IRRITATION - REDNESS)

COMPOSITION:
EACH 100 ML CONTAINS:

Active ingredient name	Power %
Minoxidil	5 %
D-Panthenol	5 %
Vitamin B12	0.01%
Betamethasone	0.05%

Properties:

ROXIDIL B12 ® spray is the Dermatologist Recommended Brand — clinically-proven to reduce hair loss, revitalize hair follicles and regrow hair. The first ever hair regrowth treatment available, ROXIDIL B12 ® spray works deep beneath the surface to regrow hair. It is recommended to be used for men & women suffering from hereditary hair loss. Betamethasone helps keep hair follicles active, ensuring the continuity of the hair growth cycle. Vitamin B12 also promotes healthy hair growth by aiding in the production of oxygen-rich red blood cells, which in turn nourishes hair follicles. Where hair is made of a protein called keratin. Since vitamin B12 helps produce red blood cells, getting enough of this vitamin is essential for the hair growth process. ROXIDIL B12 ® aerosol spray is clear red solution, supplied in convenient bottle for easy to use and handle. ROXIDIL B12 ® aerosol spray does not contain any fragrance & artificial colors.

ROYSCAB

AEROSOL SPRAY

FOR THE TREATMENT OF SCABIES &
PEDICULOSIS (BODY OR HEAD LICE)

composition:

Each 100 ml contains:

Benzyl benzoate 25%, as active ingredient

Properties:

The name of your treatment is ROYSCAB aerosol spray. It is a clear solution. ROYSCAB aerosol spray contains benzyl benzoate 25% as the active ingredient. This aerosol spray is used for the treatment of scabies and pediculosis (i.e., body or head lice).

SCABIES is a persistent itchy skin eruption caused by cutaneous infestation with Mites *Sarcoptes scabiei*. The itch is worse after bathing and at night. Scabies affects all races and social classes worldwide.

PEDICULOSIS is a relatively common problem in school children in various parts of the world. Females of all ages are more frequently infected than males. There does not appear to be any direct correlation between hair length and infestation rates.

Form and Capacity:

This product is supplied with convenient aerosol aluminum bottle, in 50 ml size.

DICLOROY

SPRAY

12
HOURS

**INSTANT PAIN RELIEVER
LONG-LASTING
DEEP PENETRATION
HEATING & COOLING**

**HELPS TO RELIEVE PAIN RELATED TO JOINT
PAIN, ATHLETE'S INJURIES, MUSCLE PAIN,
SPRAINS AND CRAMPS**

COMPOSITION: EACH 100 ML CONTAINS:

ACTIVE INGREDIENTS:

Name	Power %
Diclofenac Diethylamine (eq to 2.0% of Diclofenac Sodium)	2.32 %
Menthol	3%
Camphor	3%

Properties:

DICLOROY Spray contains three active ingredients: Diclofenac Diethylamine, which belongs to the group of medicines known as NSAIDs that have been clinically proven to be effective in acute and chronic musculoskeletal conditions. And also contains menthol and camphor. When diclofenac is applied topically, it will penetrate the skin barrier to reach the joints, muscle, and synovial fluid. Diclofenac reduces inflammation and associated symptoms by inhibiting COX enzymes and thus reduces the synthesis of proinflammatory prostaglandins. As for menthol and camphor, they work synergistically to improve the peripheral blood supply to the affected areas.

DICLOROY Spray is a specially formulated with unique deep penetration formula for rubbing and fast passage through the skin for fast relief & long-lasting effect. Thus, the active ingredients directed deeply into the inflamed tissues. The soothing warmth effect makes it an excellent muscle pain spray. In addition, the small convenient packaging allows you to carry it everywhere you travel.

It is suitable for the treatment of:

- Adults and adolescents over 14 years.
- Muscle and joint injuries (sprains, bruises, back pain, sports injuries). It leads to rapid relief of moderate to severe pain and helps to restore normal condition.
- Tendon inflammation (e.g. tennis elbow), swelling of the elbow or knee.
- Light forms of knee or fingered arthritis.

Composition:

The active substances:

Each 20 ml of liquid contains:
50.000 IU / VITAMIN D3

Properties:

D3 ROY contains 50.000 IU cholecalciferol (vitamin D3) as active substance

D3 ROY is used in the treatment, maintenance and prevention of vitamin D deficiency.

Form and Capacity:

D3 ROY Drops is presented in a box including glass bottle with euro dropper cap, 20 ml.

ROYSPAN

COUGH SYRUP

**MUCOLYTIC
SPASMOLYTIC
COUGH-RELIEVING**

Composition:

The active substances: Each 100 ml of liquid contains: 0.7 g dried ivy leaf extract & 0.43 g dried Thyme extract.

Properties:

ROYSPAN® Cough Syrup is herbal medicine for catarrhal disorders affecting the airways.

ROYSPAN® Cough Syrup is used to alleviate the symptoms of chronic inflammatory bronchial disorders; acute inflammations affecting the airways associated with cough.

Indications:

ROYSPAN syrup is used for relief of cough throat irritation and reducing phlegm. ROYSPAN syrup contains ivy leaf extract & thyme extract these herbs contain saponins which are thought to soothe respiratory discomfort, soothe coughs associated with hoarseness, dry throat and irritants

ROYSPAN® Cough Syrup's triple action formula:

1 - Loosens & clears mucus

Helps you cough less frequently and more effectively and shown to reduce cough symptoms in 93% of cases.

2 - Relieves congestion

Helps to thin and break up chest mucus so that it's easier to clear your airways during a cold, and shown to improve chest congestion in 93% of cases.

3 - Soothes airways

Assists in soothing the chest by opening and calming the airways associated with a chesty cough due to a cold, and shown to ease breathing symptoms in 91% of cases

Form and Capacity: ROYSPAN Syrup is available in packs of 100 ml liquid

ROYTUS

ANTITUSSIVE SYRUP

- CALMS THE COUGH
- MUCOLYTIC
- EXPECTORANT
- RELIEVES BRONCHIAL IRRITATION
- SUPPORTS THE BODY'S IMMUNE SYSTEM

Composition:

The active substances: Each 100 ml of liquid contains: 1 g of carob molasses, 0.4 g of holy basil leaves extract, 0.4 g of zulumba root extract, 0.6 g of galangal root extract, 0.6 g of turmeric extract, 0.4 g of daffodil extract, 0.4 g of ginger extract, 0.4 g of black pepper extract & 0.1 g of zinc.

Properties:

ROYTUS Syrup is an antitussive herbal medicine enriched with carefully selected natural herbal extracts. ROYTUS Syrup is used to relieve the symptoms of chronic inflammatory bronchospasm and spasm and acute inflammation of the airways associated with coughing, to reduce recurrent coughing, to relieve irritation of the throat and bronchial tubes, and to dissolve and expel phlegm. ROYTUS Syrup contains Carob Extract, Holy Basil Leaf Extract, Zulumba Root Extract, Galangal Root Extract, Turmeric Extract, Daffodil Extract, Ginger Extract, Black Pepper Extract and Zinc. These herbs contain saponins, anti-inflammatory, soothing and anti-allergic substances to: calm respiratory disorders, calm coughs associated with hoarseness, dry throat and irritants, and reduce phlegm secretion, dissolving and expelling it.

ROYTUS Cough Syrup:

- 1 - Helps treat infections that affect the respiratory system and supports the function of the immune system in the body
- 2 - Relieves congestion in the chest by diluting and dissolving chest mucus and expelling it so that it is easier to clean the bronchi during colds in 96% of the studied cases
- 3 - Reduces mucus production and works to dissolve and expel it, which contributes to reducing frequent coughing and relieving symptoms in 95% of the studied cases.
- 4 - Calms the constricted bronchi and airways associated with chest cough due to cold by expanding and calming them, which reduces breathing symptoms in 93% of the studied cases.

BOLDOROY

S Y R U P

IMPROVES LIVER FUNCTION, REMOVES TOXINS FROM THE BODY IN A NATURAL WAY, AND HELPS TREAT JAUNDICE HELPS THE DIGESTIVE SYSTEM FUNCTION PROPERLY & RELIEVES SYMPTOMS OF IRRITABLE BOWEL SYNDROME

Composition: The active substances are: Each 100 ml of liquid contains: 0.7 g dried Boldo leaf extract, 1 g dried artichoke extract & 0.9 g dried rhubarb extract.

Properties: BOLDOROY Syrup is herbal medicine, helps the digestive system to function properly and detoxifies the body in a 100% natural way. It is a broad-spectrum liver tonic for hepatitis and other liver disorders. It stimulates liver enzymes.

Benefits of BOLDOROY SYRUP:

- BOLDOROY stimulates liver enzymes, protects histological architecture of liver cell.
- BOLDOROY prevents fibrosis of liver and stimulates growth of hepatocytes thus improving liver function.
- BOLDOROY protects the DNA from mutation by free radical scavenging activity and is proved effective against inflammatory diseases & early cirrhosis of liver.

Indications of BOLDOROY SYRUP:

- May Lower 'Bad' LDL Cholesterol and Increase 'Good' HDL Cholesterol
- Indigestion
- Cholecystitis
- Post radiation & chemotherapy
- Adjuvant with hepato-toxic drugs
- Used for mild gastrointestinal (GI) spasms, gallstones, achy joints (rheumatism), bladder infections
- It is also to increase urine flow to rid the body of excess fluids
- increase bile flow, and kill bacteria.

Form and Capacity: BOLDOROY Syrup is available in packs of 100 ml liquid

100 ML

ROYARGIN

SYRUP

L - ARGININE MULTIVITAMINS & MINERALS

- FULL SUPPORT FOR GROWTH & HEIGHT INCREASE
- SUPPORT WEIGHT GAIN AND INCREASE APPETITE
- SUPPORT FOR THE IMMUNE SYSTEM

COMPOSITION: EACH 10 ML OF SOLUTION CONTAINS THE FOLLOWING ACTIVE INGREDIENTS:

Nutritional information	Average per 10 ml	Nutritional information	Average per 10 ml
L-Arginine	250 mg	Biotin	10 µg
Thiamin (Vitamin B1)	1 mg	Vitamin C	50 mg
Riboflavin (Vitamin B2)	1.28 mg	Zinc	5 mg
Niacin (Vitamin B3)	6 mg NE	Manganese	0.5 mg
Pantothenic Acid (Vitamin B5)	2 mg	Selenium	55 µg
Vitamin B6	1 mg	Iodine	75 µg
Folic Acid	200 µg	Molybdenum	35 µg
Vitamin B12	2.5 µg		

µg = microgram, mg = milligram

Properties: ROYARGIN syrup contains L - Arginine and is fortified with 9 Vitamins and 5 Minerals as recommended by the UK Department of Health for:

- Full support for growth & height increase
- Support weight gain and increase appetite
- Support for the immune system
- Nutrition support.

ROYARGIN syrup has been produced with children's specific needs in mind to provide a comprehensive range of 14 nutrients, plus L-Arginine to help safeguard your child's nutritional intake.

ROYARGIN syrup contains the key ingredient L- Arginine It is necessary for making proteins and is commonly used for circulation.

Benefits of using ROYARGIN syrup:

- L-arginine is administered in high doses to stimulate pituitary release of growth hormone and prolactin and pancreatic release of glucagon and insulin so Arginine stimulates the release of growth hormone.
- Arginine converts to nitric oxide, which dilates blood vessels and increases blood flow, thus supporting cardiovascular health and improving peripheral perfusion.
- L-Arginine is an amino acid that the body cannot produce naturally. Therefore, it is important to consume foods rich in arginine or by dietary supplement.
- L-arginine is essential for young children and for those with certain rare genetic disorders in which synthesis of the amino acid is impaired.
- L-arginine is helpful in accelerating wound healing.
- L-arginine has demonstrated some positive immune-modulating and anticancer effects.
- It is also used to help improve the immune status in those suffering from sepsis, burns and trauma
- L-arginine is a glycogenic amino acid; it can be converted to D-glucose and glycogen if needed by the body or it can be catabolized to produce biological energy.

Form and Capacity: ROYARGIN Syrup is provided in amber glass bottle with 100 ml size

BONAROY

SYRUP

FOR STRONG BONES AND JOINTS

CALCIUM – MAGNESIUM - VITAMIN D & ZINC
WHICH CONTRIBUTE TO THE MAINTENANCE OF
NORMAL BONES

COMPOSITION:

EACH 10 ML OF SOLUTION CONTAINS THE FOLLOWING ACTIVE INGREDIENTS:

Nutritional information	Average per 2x5 ml	% NRV*
Vitamin D (as D3 150 IU)	3.8 µg	76
Calcium	300 mg	38
Magnesium	150 mg	40
Zinc	6 mg	60

*NRV = Nutrient Reference Value, µg = microgram, mg = milligram, IU = International Units.

Properties:

BONAROY SYRUP has been scientifically developed on the basis of the very latest research and provides a rich source of calcium and co-factors in a smooth, great tasting liquid. The formula also provides vitamin D which helps with the normal absorption of calcium by the body.

BONAROY SYRUP contains the preferred D3 form of Vitamin D. Vitamin D3, also known as cholecalciferol, is the form of vitamin D that is produced by the skin on exposure to sunlight. D3 is the preferred form of vitamin D because it is the specific form made in the human body and therefore more effective than D2 which is found in some supplements.

BONAROY SYRUP carefully combines calcium with co-factors including vitamin D, zinc, plus magnesium which help to maintain normal bones. This liquid formula is ideal for those who have difficulty with swallowing tablets

- Calcium is needed for normal development of bones.
- Magnesium, Vit D and Zinc contribute to maintenance of normal bones.
- Calcium and Magnesium contribute to maintenance of normal muscle function.
- Calcium, Magnesium and Vit D contribute to maintenance of normal teeth.

Form and Capacity:

BONAROY Syrup is provided in amber glass bottle with 100 ml size

MULTIROY

SYRUP

15 DAILY MULTIVITAMINS & MINERALS FOR TONIC & APPETIZER EFFECT

INCLUDING IRON, ZINC, COPPER & IODINE
TO CONTRIBUTE TO NORMAL GROWTH & COGNITIVE
DEVELOPMENT OF CHILDREN

FOR KIDS

COMPOSITION: EACH 5 ML OF SOLUTION CONTAINS THE
FOLLOWING ACTIVE INGREDIENTS:

Nutritional information	Average per 5 ml	Nutritional information	Average per 5 ml
Vitamin A (667 IU)	200 µg RE	Vitamin B6	0.8 mg
Vitamin D (as D3 400 IU)	10 µg	Folic Acid	100 µg
Vitamin E	5 mg α-TE	Vitamin B12	2.5 µg
Vitamin C	12 mg	Iron	5 mg
Thiamin (Vitamin B1)	0.7 mg	Zinc	4 mg
Riboflavin (Vitamin B2)	0.8 mg	Copper	150 µg
Niacin (Vitamin B3)	8 mg NE	Iodine	40 µg
Pantothenic Acid (Vitamin B5)	2 mg		

mg = milligram, IU = International Units

Properties: MULTIROY SYRUP provides a comprehensive range of vitamins & minerals which is specially formulated to help safeguard the nutritional intake of children and for any of vitamin B deficiency. MULTIROY syrup includes vitamins A, C, E and D, as recommended by the UK Department of Health which advises that all children up to the age of 5 years should be given a supplement every day that contains these vitamins. This balanced and synergistic formula of 11 Vitamins and 4 Minerals as recommended by the UK Department of Health, provides:

- Normal growth & cognitive development of children
- Good source of daily recommended need of vitamins & minerals which are working together to support vital processes in the body in maintaining the health of muscles, nerves and skin
- Support weight gain and increase appetite
- Support for the immune system
- Nutrition support.

Zinc helps the permanent and constant support of bones and rebuilds them. Zinc maintains the health and safety of muscles, nerves and skin. Zinc is involved in enhancing immunity and enhancing learning and memory capabilities.

We fortified MULTIROY SYRUP with iron which contributes to normal cognitive development of children.

Copper is an essential nutrient for the body, together with iron, it enables the body to form red blood cells. It helps maintain healthy bones, blood vessels, nerves, and immune function, and it contributes to iron absorption. Sufficient copper in the diet helps prevent cardiovascular disease and osteoporosis, too.

MULTIROY SYRUP is formulated with iodine which contributes to normal growth in children, plus vitamin D. The vitamin D in MULTIROY SYRUP is included in the preferred vitamin D3 form (cholecalciferol) that is naturally produced by the skin when exposed to direct sunlight.

Form and Capacity: MULTIROY Syrup is provided in amber glass bottle with 100 ml size

FEROY

SYRUP

**IRON - FOLIC ACID – ZINC
VITAMIN C - VITAMIN B12**

MINERALS, B VITAMINS, IRON & FOLATE CONTRIBUTE TO THE REDUCTION OF TIREDNESS & FATIGUE & IMPROVE COGNITIVE FUNCTION

IRON CONTRIBUTE TO NORMAL FORMATION OF HAEMOGLOBIN & RED BLOOD CELLS

COMPOSITION: EACH 5 ML OF SOLUTION CONTAINS THE FOLLOWING ACTIVE INGREDIENTS:

Nutritional information	Average per 5 ml	Nutritional information	Average per 5 ml
Vitamin C (ascorbic acid)	20 mg	Vitamin B12 (cyanocobalamin)	10 µg
Thiamin (Vitamin B1)	8 mg	Iron (as ferrous gluconate)	14 mg
Riboflavin (Vitamin B2)	2 mg	Zinc (as zinc sulfate)	10 mg
Niacin (Vitamin B3)	16 mg NE	Copper (as copper sulfate)	500 µg
Pantothenic Acid (Vitamin B5)	4 mg	Manganese (as manganese sulfate)	0,5 mg
Vitamin B6 (as pyridoxine hydrochloride)	4 mg	Iodine (as potassium iodide)	80 µg
Folic Acid	300 µg		

mg = milligram, µg = microgram

Properties: FEROY SYRUP is liquid iron formula with nutrients to help maintain health and vitality, including folate which contributes to the reduction of tiredness and fatigue. It provides an iron as ferrous Gluconate for improved absorption and to be gentle on the stomach, along with B vitamins and trace minerals. FEROY SYRUP is useful in cases of inadequate iron dietary intake or increase physiological needs.

FEROY SYRUP:

- Supports haemoglobin and red blood cells formation and helps prevent anemia
- Reduces tiredness and fatigue
- Contributes to normal cognitive function
- Contributes to energy production
- Supports the health of the immune system.

Who may need a FEROY SYRUP?

FEROY SYRUP is ideal for:

- Growing children over 3 years
- Adults people and elderly over 50s
- Women during menstruation
- Pregnant women
- Athletes

Haemoglobin For Oxygen Transport: The formation of haemoglobin for red blood cells requires an adequate supply of iron & other co-factors in the diet. Haemoglobin carries oxygen to the brain, heart, muscles and to tissues throughout the body.

FEROY SYRUP contains iron which contributes to normal formation of red blood cells and haemoglobin and normal oxygen transport in the body.

Feeling Tired?

This special combination also contains vitamin C which increases iron absorption, vitamins B6 & B12 which contribute to normal energy release plus iron and folate which contribute to the reduction of tiredness and fatigue.

FEROY SYRUP is specific blood building nutrients are ideal whatever your age and may be of particular benefit for, athletes and or pregnancy. It is also suitable for children.

Form and Capacity: FEROY Syrup is provided in amber glass bottle with 200 ml size

CASTROY

SOFTGEL CAPSULE

CASTOR OIL 1000 MG

- NATURAL LAXATIVE
- HELPS TREAT COLON IRRITATION
- CLEAN THE COLON FROM TOXINS AND HARMFUL WASTE
- IMPROVING THE MOVEMENT OF THE LARGE INTESTINE
- IMPROVING THE RATE OF ABSORPTION

COMPOSITION:
EACH ONE SOFTGEL CAPSULE CONTAINS THE FOLLOWING ACTIVES:

Nutritional information	Amount per serving	% NRV*
Castor Oil	1000 mg	— **

*NRV = Nutrient Reference Value, mg = milligram, ** NRV value is not established

Properties:

The castor oil, is active ingredient of CASTROY softgel. Castor Oil is an oil derived from the beans of the castor plant (*Ricinus communis*). Castor Oil has long been recognized as a powerful laxative which may be used for the relief of occasional constipation. Medicinal properties of this oil has long been known and it is used as topical and oral. The main component of castor oil chemical structure is ricin oleic acid which is due to their specific chemical structure and the non-polar molecule, has unique properties compared to other biological fatty acids. Castor oil is used in oral form as a laxative to treat and control constipation and also to prepare the colon and rectum for radiographic studies and preparation before surgery.

The benefits of castor oil for the abdomen and digestive system:

- Helps treat colon irritation
- Clean the colon from toxins and harmful waste
- Improving the movement of the large intestine
- Improving the rate of absorption of important nutrients in the intestine

Form and Capacity:

CASTROY Softgel capsule from ROYVIT is supplied in 20 Softgel capsules.

ROMEQA 3

SOFTGEL CAPSULE

OMEGA 3 – EPA - DHA

DHA HELPS TO MAINTAIN NORMAL FUNCTION OF BRAIN & VISION
EPA & DHA SUPPORT NORMAL HEART FUNCTION

HIGH PURITY FISH OIL
SUPER STRENGTH
PREMIUM QUALITY

COMPOSITION:
EACH ONE SOFTGEL CAPSULE CONTAINS THE FOLLOWING ACTIVES:

Nutritional information	Amount per one softgel	% NRV*
Omega-3 Fish Oil	1000 mg	**
Providing		
EPA	355 mg	**
DHA	235 mg	**
Vitamin E (Natural Source)	11 mg α -TE	92

*NRV = Nutrient Reference Value, mg = milligram, ** NRV value is not established
Properties:

ROMEQA 3 Softgel from ROYVIT are designed to meet the highest quality and purity standards possible, appealing to those who are looking for the best marine oils available. ROMEQA 3 Softgels are formulated with pharmaceutical grade fish oil and are high strength, with over 60% omega-3 fatty acids and with a rich source of the omega-3 fatty acids DHA (Docosahexaenoic acid) and EPA (Eicosapentaenoic acid) to help in supporting overall health including heart, brain, joints, eyes and mood. Research has shown that omega-3 products support healthy glucose and lipid levels in professional athletes, bronchial health, and support the body's ability to respond to stress in a healthy way. DHA helps to maintain normal vision and brain function. DHA and EPA contribute to the normal function of the heart.

Vitamin E: ROMEQA 3 Softgel capsules contain natural source vitamin E, an essential nutrient and protective antioxidant, which contributes to the protection of cells from oxidative stress and helps to protect the high purity oil.

ROMEQA 3 Softgel capsules from ROYVIT are undersized to purification process, including multiple distillation and extra filtration stages, to ensure the highest quality of marine oils. Each batch is rigorously tested, certified and fully compliant with stringent EC and WHO rules on environmental pollutants..

Form and Capacity:

ROMEQA 3 SOFTGEL CAPSULE from ROYVIT is supplied in 30 Softgel capsules.
